

# ICCIT TOUR BIO: KENNETH KRUSE.

“I’ve worked with technology every day for over 30 years, and I learn something new each day. From the simplest system to executing multi-million dollar projects, technology is my way of life.”

## **HOW DID I GET TO MY CURRENT ROLE?**

Post Secondary: Berklee College of Music: Studio Engineering / Arranging

First Job: Lead Audio Engineer @ Deerhurst Resort

Inspired me to become: President / Owner of commercial sound and AV systems design / build company for 18+ years

Industry highlight: Member of Infocomm / ANSI standards development task group

Right now: Production Manager @ Audability, 2 years
