

AUDABILITY INTERNSHIP: MARKETING COORDINATOR.

Audability is excited to offer a variety of student internship opportunities. We strongly believe in educating & mentoring our younger generations, to help bridge gaps in the communication technology industry and introduce career path options.

As members and contributors of the NSCA Ignite Program, InfoComm, and Girls in Tech Toronto Chapter, we are committed to providing visibility and foster education in our local communities.

“My area of expertise is the ability to think outside the box. I am never limited by the idea of what is normal. I have the ability to “MacGyver” any project so that it is cost effective, functional, and simple to use.”

BEN RADTKE SALES ENGINEER

“Audability is a company of high-energy, knowledgeable people focused on the highest level of Customer Service.”

NANCY MUIR

DIRECTOR OF FINANCE

A DAY IN THE LIFE OF A MARKETING COORDINATOR INTERN:

- Research industry news to spot exciting updates that should be shared via social media
- Design new web pages using the WordPress platform
- Plan and execute a LinkedIn / Facebook social media campaign
- Stage-manage & attend a live public event (tradeshow, client education seminar, or similar)
- Job shadow 2 other departments (half day each)

DOES THIS SOUND LIKE YOU? IF SO, WE MAY BE A PERFECT MATCH!

You **thrive** in environments that constantly adapt and evolve

Daily use of **different technologies** to communicate with colleagues and clients

Camera shy is not in your vocabulary

Willing to **communicate** your good ideas to other departments

Directly contributing to our **brand positioning** is exciting

SOUNDS AWESOME, WHERE DO I SIGN UP?

Audability accepts intern applications at any time, for Fall and Winter semesters.

Opportunities for co-ops, contracts, part-time and full-time employment are often available at the completion of an internship.
